To whom it may concern

Hello my name is Zach Thayer and I am here today to ask you to move against the State of California county of Napa, City of Napa, and acting non-profit agency Abode services and Napa valley housing authority with respect to direct retaliation, harassment and discrimination based on political affiliation (not republican), group affiliation based on genetical identification (family of the 38<sup>th</sup> president) through victimization including pay discrimination, employment discrimination, housing discrimination, at the request of family members of the 45<sup>th</sup> president and 45<sup>th</sup> vice president. This includes having the niece and 1<sup>st</sup> cousin as my case worker even after members of there family tried to poison me, when I requested to be transferred to another county but the agency lead refused due to the level of success rate where there was recordings with 7 confirmed county employee's stating that I needed become more co-dependent on drugs and government entitlement because of partisan ideology and present day to day management. I ask your honor that you rule and force judgement/have the county admit cause in Section 130290 - California Health and Human Services Data Exchange Framework article 3 under federal regulation Section 171.102 of Title 45 of the Code of Federal Regulations held by the entity known as the state of California a violation of *BOYD v. Thayer*, *Burdick v. USA* in *Ashcroft V. USA* based on executive order 13979,13966,13770,12791, 11602, 11608, 13308,13782 within the compliance view gross and blatant negligence under "EO13353 which creates the President's Board on Safeguarding Americans' Civil Liberties which I would ask the court to define as employment, general civil service employment, federal civil service employment and that of government assistance by acting agency representative including false billing, unwilling to provide references for employment, stating that they are seeing me on a weekly basis but they are not, providing counseling and intake services but yet they have not seen me in over 6 months, using open dispatch to harass while out of town and on other job sites, using open dispatch to harass while out of town and area to cause harm, opening my mail when I am not there, failing to help with housing, asking medical agency's to refuse service, failing to maximize government employment service as a adult seeking aid, recommending a landlord to participated in helping the Jan 6<sup>th</sup> riot, paying for the Beirut bombing and taking accountability to deposition on August 10<sup>th</sup> with the previous president which is 'part of the Department of Justice for administrative purposes, " which I ask your honor to see this as harm and torture"' to 'undertake other efforts to protect the legal rights of all Americans, including civil liberties, and information privacy guaranteed by Federal law, as the President may direct . " I may ask your honor to this as a direct request by political affiliations and members of the 45<sup>th</sup> president and his vice president under *Dems v Republican*.

In the view of 29.0163 CFR Gerald Ford is known as who your honor in view of the state? Based on EO 13556 – Controlled Unclassified Information (3pp | 138kb | PDF) (November 4, 2010). This Executive Order: establishes an open and uniform program for managing information (that I am his great grand son better known as the Barron of Essex) that requires safeguarding or dissemination controls pursuant to and consistent with law, regulations, and Government-wide policies, excluding information classified under EO 13526 or the Atomic Energy Act, as amended; **I ask your honor to identify in *Trump v. Hawaii*, *MI v. EPA*, *Mapp v. Ohio*, *Trump v. California Water Resource Board*, *Ashcroft v. Iqual*, *S. F. Bay etc. Com. v. Town of Emeryville*, *Banks v. City of Emeryville*, *Muzquiz v. City of Emeryville*, *TRW Inc. v. Andrews*, *Zac Thayer v. Landmark staffing agency*, *Boyd v. Thayer*, *Uber v. Wayco*** That the statue and recommendation by the county and city is recommending gross

and blatant negligence through the "ad hoc, agency-specific policies, procedures, and markings to safeguard and control this information, such as information that involves privacy, security, proprietary business interests, and law enforcement investigations also known as material substance in **Schenck v. United States, Abrams v. United States, Debs v. United States, Frohwerk v. United States, Navy v. USA, Brown v. Board of education**

This inefficient, confusing patchwork has resulted in inconsistent marking and safeguarding of documents (I ask your honor this be seen as my bank statement, my unemployment pay, my food stamp benefits, my medical insurance and my day to day overall management in view of political affirmation and use of government services). I ask that is be seen as not "unclear or unnecessarily restrictive dissemination policies, and created impediments to authorized information sharing or defined as telehealth in **Old Post office v USA**. Although EO 13353 was never officially rescinded, its directive to create the President's Board on Safeguarding Americans' Civil Liberties faced strong opposition and was eventually jettisoned in favor of an independent body, the Privacy and Civil Liberties Oversight Board which your honor I am asking to be reviewed against in view of the county and city where in Sackett v. USA judge Roberts and Judge Alito request that the county and city be sued at \$5million and \$50,000 in that order. I ask that be awarded and identified as damages.
